A History of her Life, in a series of Six Beautirul Figures, from new and exquisite designs, printed in Oil Colors, in the highest style of the Art; accompanied by the press in all parts of the country, the following are selected as giving the best idea of this NEW AND ELEGANT PASTIME.

"A dainty box, buildantly adorned, contains colored costumes, to be varied at will of our charming Fanny; and her life is versified in a little book accompanying these, as delicate as the young heroine herself. The designs are beautiful, and drawn and colored in the most faished manner. This evidently one of the caterings for the Holiday; and every one knows some dear little girl, from six to ten years of age, whe would fill the champloachip of Fanny Gray with extacy. Nothing could be prettier than the idea and its excention."
